Check out our amazing Invisalign Offer

CBCT scanner Installed

Our head nurse Hayley has returned from maternity leave. We are so excited to have her back.

Richard's children Ella & Edward managed to raise an amazing £4610 for Cancer Research UK

Ellie & Caitlin are now fully qualified dental nurses. Congratulations girls!

We had a CBCT & OPG machine installed to help aid us with our implant planning and referrals. Our new CBCT scanner can also be used for invisalign cases and can aid when someone finds it difficult having traditional xrays taken.
